Leadership team is calling for a 2018 Groffdale congregational focus on "Church Revitalization." We recognize that revitalization is most importantly a work of renewal that God does in our hearts corporately and personally. Renewed vision and purpose rightfully flow from the work that God is doing among us.

One of the ways we anticipate pursuing congregational revitalization is through launching two teams to prayerfully do some dreaming and visioning. One team will focus on revitalization and vision in a broader sense while another team will focus specifically on possible building/décor updates that proceed from emerging vision.

We invite you to prayerfully nominate persons to serve on either team. Nomination forms are on the information table. Blue nomination forms are for the vision/revitalization team. Yellow nomination forms are for the building/décor team. Forms can be placed in the mailboxes of either Levi Hoover or Pastor Tom by Sunday, February 25.

Are you missing a set of car keys???

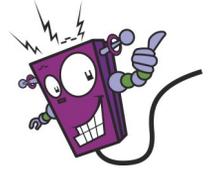

A set of Toyota car keys was found in the All Purpose Room closet. Please see Joyce Shenk to claim them.
