Did you know that Easter is more than just one Sunday?

Easter is also a season of seven Sundays leading up to Pentecost Sunday. Today is the Second Sunday of Easter!

This morning we begin our Easter series focusing on scripture texts from the Gospels and Acts that took place after Jesus rose from the dead. What does it mean for us as God's people to live in the power of the resurrection? What does it mean that the "same power that raised Jesus from the dead lives in us?" Like the disciples on the road to Emmaus, we discover the resurrected Jesus among us when we least expect it.

Each Sunday during Easter season, we will be giving the children an Easter egg with a surprise inside it related to the scripture story. Let us pray that all of us would experience a fresh revelation of the reality of our risen Lord during this Easter season!
