Video and Audio Options for Groffdale's Worship Service

Due to continued restrictions regarding the coronavirus we will not be meeting for gathered worship at Groffdale. We will be posting a recorded service on YouTube. You can access the service on our website at www.groffdale.com or by searching on YouTube. We will also be playing the audio of the service on **Sunday morning at 8:00 AM**. We have chosen this time to hopefully avoid the busiest time on the phone line. The phone number for the **dial-in service is 717-690-0477**.

Roofing Project Scheduled

On Thursday, April 16, a contract was signed with Narvon Construction to replace the roofing material on all the peaked roofs with standing seam metal. The tentative start date is early May and is expected to take approximately two weeks to complete. Roofing contractors can do replacement work during the shutdown. The schedule of the remodeling of the café area work is not exempt from the Governor's orders and is contingent on when the order is lifted.
