## Honoring one Another

We are all aware of the recent upsurge in reported COVID cases in our county. Our commitment as a congregation is to continue to honor your personal response to this ongoing challenge. We believe that we can worship together whether my individual choice is to wear masks in group settings or whether my choice is not to wear masks in group gatherings. It may be timely to remind you that the recent updates to our HVAC system include an air filtration system that runs continuously when the building is occupied. This is intended to provide as healthful an indoor environment as current technology allows. Thanks for continuing to honor one another and our different responses to these challenging circumstances.

## New Sunday School Curriculum

On September 5<sup>th</sup> we begin using "The Gospel Project" as our Sunday school curriculum. This curriculum is designed to lead us, adults and children, on a study of the entire Bible over the next several years. We begin with Unit 1 "From Creation to Chaos." The format of the quarterly is different than what we have become accustomed to using. After several weeks of using this material you will be invited to share what you like and what you dislike about this material. We are planning to use this material from September 2021 through February 2022. A review by teachers and class members will determine whether this curriculum will be used beyond that date.

## MCC SCHOOL KIT PROJECT

MCC is now collecting school kits. Please feel free to pick up one or more bags from the foyer and fill them with the following items:

- 4 spiral or perforated notebooks (8-1/2 x 10 1/2" and 70 pages)
- 8 new unsharpened pencils
- 1 ruler (flat, good quality, indicating 30 cm; inch markings optional)
- 12 colored pencils (in packaging)
- 1 large pencil eraser
- 2 new black or blue ballpoint pens
- 1 small **all metal** pencil sharpener (1-2 holes)  
If you cannot find **all metal** sharpeners, please pack the kits without them and MCC will add the sharpeners.

Please place your completed school kits in the box provided. We will be collecting school kits through **August 29**. **Thank you for your generosity!!!**

## Café Volunteer Opportunity!

We are looking for volunteers who would be willing to run the café on a Sunday morning.

It involves making coffee, and hot water for tea, as well as cleaning up before leaving church that day. It's not difficult and you get to chat with lots of people! There's a sign up sheet in the café. If you have any questions, please contact Kathy Stoltzfus.

## **EXPLORE YOUR LIFE PURPOSE IN.....DISCOVERY**

The Groffdale District of churches is planning to sponsor the Discovery series this fall and winter.

The Discovery series was developed by LMC to invite participants to review gifting, personality and life experiences as a way of clarifying our life purpose as a follower of Jesus. Brochures will be available at a later date on the literature table that offer more details and a schedule of the sessions being planned for the evenings of October 13, 27; November 10, 24, 2021 and January 12, 26; February 9, 23, 2022.
