Berg Family Update

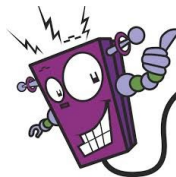

The campus has been full of world-changers. Not only do we have our staff and students, but we also have teams from other YWAM locations that are camping out in tents, along with several Mission Builder volunteers. This has been such a wonderful picture of the future of our campus as we fed over 600 people last week and even more this week.

Stop by the missionary bulletin board to read Mike and Darla's entire newsletter and see the pictures.

On Wednesday evening, Conestoga Valley social worker, Katie Reiff suggested tangible ways we can help families in our area by donating the following items for her to share with families in need:

- * RID or NIX lice killing shampoo kits
- * Gift cards to Aldi, Sharp Shopper, Giant, etc.
- * Dominion Pest Control Bed Bug Spray (located at Rohrerstown Road, Lancaster)

There is a box at the back of the church for these items. Thanks for your help with this project!
