THANK YOU!!!

We are so grateful for the many people who gave time and energy to make outdoor church possible these past months! Many helped with setting up and tearing down sound equipment, car parking, pulling the offering and water wagon, distributing water, Zoom connection, video camera recording, uploading sermons to our website, counting people and many other ways. And thank you to everyone willing to be flexible and adventurous with outdoor church! Thank you everyone!!

Thank You Notes

Thanks to my many friends for sending birthday cards. I loved getting them! Also thank you to those who called and left me know they were thinking about me. I always appreciate phone calls. I enjoyed my drive by birthday party so much. It was fun to see your faces and thank you for the gifts. I'm very anxious to come back to church because I miss seeing you all.

Fred Reeser

I had my appointment with the brain surgeon on Monday. After our visit with the surgeon we are praising the Lord and rejoicing that since there was no change in the last two MRI's, the Dr. said it's possible what she is seeing is scar tissue. I am to have another MRI in January with a follow up appointment with her.

Thank you for your prayers.

To God be all the glory!

Note from Darla & Michael Berg, YWAM Orlando

Dear Groffdale Mennonite,

At a time when so many things have been cancelled or postponed it would be easy to be overcome by disappointment or despair. God doesn't want us to live a disappointed, devastated, or oppressed life! Rather we need to keep our focus on God, meditating on His promises, confessing His word, and submitting ourselves and our situation to Him in prayer. Yes, 2020 has been radically different than we were anticipating, but we are STILL believing that it will be a **year of breakthrough!** We have teams on outreach in Alaska and Colorado, our next Discipleship Training School is preparing to go to Tanzania in a few weeks (one of the few places that is open for travel right now), our triple-wide office trailer is just about completed, our worldwide meetings are still taking place via Zoom, God is still on the move! And we are getting ready for our fall schools starting at the end of this month.

Thanks so much for your recent gift of \$135 for the honorarium. Your gift has given encouragement and hope as we press on towards the goal of living lives that bring honor and glory to our Heavenly Father.

Until all have heard,

Darla and Michael Berg, YWAM Orlando
