## Sermon Series for January

During the winter months we experience diminished sunlight and find ourselves longing for light and warmth. The Bible so often uses light as a metaphor for the presence of God that shines into our life. Over the next weeks, we plan to focus sermons and worship themes around scriptures describing the light of Christ.

**Let us journey through this winter experiencing the transformative light of Christ!**

## Continued Invitation to "One Neighbor"

These are times when many in our communities are facing financial difficulties. In May of 2020, Groffdale set up an opportunity for you to bless people in your neighborhood (or beyond) that have financial needs. We invite you to give small gifts of \$100 or less to individuals on behalf of our congregation. Disbursements can be made through gift cards, purchase of needed goods, payment of an outstanding invoice or some other method when appropriate.

Here's how it works:

1. Identify a person/situation you sense God is calling you to bless.
2. Contact Henry Youndt with a short description of the need.
3. With affirmation of the request, Henry Youndt will arrange payment options.
4. You are welcome to include a card from Groffdale with your gift if you sense that is appropriate. (We have a pre-made card that you may include.)

Thanks Sara Frey for recently designing this logo for the One Neighbor program!

**May Christ be glorified!!!**

## Listen to Groffdale's Worship Service "LIVE"

If you are unable to attend the Sunday morning worship service, you now can "dial in" to listen to the service LIVE. This is only available during the 10:00 a.m. worship service on a Sunday morning.

To access the worship service from your phone, **dial 717-690-0477**. No pin number is needed. You should hear everything that's sent out from our Groffdale sound system.

If you have any questions, please contact Levi Hoover or Jim Evans.

Sunday morning worship services are also recorded and posted on our website. Go to our website - [www.groffdale.com](http://www.groffdale.com) and click on the messages tab. Then choose the sermon you'd like to listen to.

Worship services are also recorded onto CD's which can be signed out in the church library.
