Sermon Series for October and November **Let us fix our eyes on Jesus!**

During the months of October and November, our sermons will focus on stories about Jesus from the New Testament Gospels. Jesus, the Son of God, lived and walked among us, experiencing sorrow, joy, hunger, thirst, friendship, temptation, death.....and resurrection. Jesus healed, forgave, shared meals with outcasts and taught with an authority that amazed his listeners. He was human in every way that we are, and yet was without sin. These accounts are familiar to many of us, and yet through the Holy Spirit have the power to speak truth to us in new and fresh ways.

You are invited to help us select scripture texts for this sermon series. We're not planning to take the stories in any particular order but we will focus on one each week, inviting the Holy Spirit to teach us. Email Pastor Tom at tome@groffdale.com to suggest a story about Jesus for our sermon series. Series begins on October 3!!!

New Sunday School Curriculum

On September 5th we began using "The Gospel Project" as our Sunday school curriculum. This curriculum is designed to lead us, adults and children, on a study of the entire Bible over the next several years. We begin with Unit 1 "From Creation to Chaos." The format of the quarterly is different than what we have become accustomed to using. After several weeks of using this material you will be invited to share what you like and what you dislike about this material. We are planning to use this material from September 2021 through February 2022. A review by teachers and class members will determine whether this curriculum will be used beyond that date.
