## Simple Sunday planned for Sunday October 31

With a desire to intentionally provide space and time for the spiritual disciplines of rest, worship and simplicity, Groffdale is planning a "Simple Sunday" for October 31. On this day, we want to offer a time of rest for those who regularly serve in the technology roles and teach Sunday School. Sunday School teachers are encouraged to facilitate a time of sharing during the class and spend less time on lesson preparation.

During the 10:00 am worship service the sound system will be on, the phone call in line will be available, but we will take a Sunday of rest from livestream and projection. A change in our routines can help us appreciate more fully those who regularly serve in these roles. Let us anticipate the ways God will uniquely meet us next Sunday October 31 in our simplified routine. If you have questions, please contact Pastor Tom at 717 669-4578.
